[Despatch Abstract.]

Industries. Sericulture. Construction of Assistant Sericulturist's Quarters and Grainage at Beetkai and a Green House at Central Mulberry Nursery at Kollegal. Accounting procedure - orders Passed

Department of Industries & Commerce

From

Sri M.T.Raju, Bar-at-Law, I.C.S.,
Director of Industries &
Commerce, Madras.6.

To

The Secretary to Government,
Development Department,
Madras.

7299

Sir,

No. 6279-D2/52, Dated 16th January, 1953.

Sub: Industries - Sericulture - Construction of a suitable building for experimental rearing and grainage at Berikai (2) Green House at Central Mulberry Nursery, Kollegal - Accounting procedure .

Ref: 1. G.O. MS. 4815, Development, dated 31-10-51.
2. " 2527, Development, dated 14-6-52.

In para 2 of G.O. MS. No. 4815, Development, dated 31-10-51 Government ordered that the ~~expenditure~~ expenditure relating to the construction of a Green House in the Central Mulberry Nursery at Kollegal should be debited to the head of account sanctioned in G.O. MS. 2417, Development, dated 15-6-50 Viz., "43. Industries and Supplies - a. Industries - F.Sericulture - I. Ordinary areas - 7. Schemes financed by the Central Silk Board - (i) Central Mulberry Nursery" and in para 3 Government sanctioned the opening of the following debit to record the expenditure for the construction of building for experimental rearing and grainage at Berikai:—

> "43. Industries and Supplies - a. Industries - F. Sericulture - I. Ordinary areas - 7. Schemes financed by the Central Silk Board - (iii) Construction of building for experimental rearing and grainage at Berikai".

In para 2 of the G.O. MS. 2527, Development, dated 14-6-52 Government in modification of the orders issued in G.O. MS. 4815, Development dated 31-10-51 have ordered that the expenditure in respect of the construction of both the buildings viz., (i) Green House at Kollegal and (2) Experimental rearing and grainage at Berikai, should be debited to "43. Industries and supplies (a). Works - Construction of building for experimental rearing and grainage at Berikai".

pto

2

3. In this connection I submit that as the Central Silk Board has sanctioned two separate grants (1) of Rs 10,000/- towards the construction of a Green House at Kollegal and (2) another of Rs 22,600/- towards the construction of a suitable building for experimental rearing and grainage at Berikai, it is submitted that it would be appropriate to record the expenditure in respect of each grant under separate detailed heads instead of under one head of account as ordered by Government. I therefore suggest that the expenditure relating to the construction of the above two buildings may be debited to:

"43. Industries and Supplies - Industries - f. Works.
(i) Construction of a Green House at Kollegal.

(ii) Construction of a building for the experimental rearing and grainage at Berikai".

and request that Government may be pleased to issue revised orders in this regard in modification of the orders issued in para 2 of G.O. Ms. 2527, Development, dated 14th June, 1952.

123(N)

V.S. Rajamani
for Director of Industries & Commerce.
